

Halloween Witch

She rides through the night
by the light of the moon,
the Halloween Witch,
on her magical broom!

And always beside her
the black cat will stay,
to help with the mischief
and tricks she will play.

They're partners in mischief
who fly through the night,
causing much trouble
and causing much fright!

If you're out on this night,
I warn you-Beware!
They're sure to be waiting
to give you a scare!

Watch out for those two!
They are sure to be seen,
out, making their mischief
on this Halloween!
